

# PALLET BRIDGE

## PB3000

Our new pallet bridge display provides an elegant solution to cross-merchandise products that are complementary to your palletized goods. Graphic panels (not included) simply slide into the side supports while mounting holes on the tray face easily accept most types of rigid signage panels. The galvanized steel frame fits over most standard pallets and the upper tray features flattened expanded metal to hold large and small products.

PB3000 with sign panels

PB3000 without sign panels
